Black Sea to Blue Danube

Complimentary Shore Excursions!

Optional post-cruise add-on:
Sun Tours Private 9-Day Land Tour
Prague-Bavaria Land Tour with Oberammergau!

June 2010

We cruised from Amsterdam to Budapest on Avalon in 2009, and everyone thought it was great. Now we give you the chance to "complete" the River...all the way to the Black Sea! Unlike ocean cruising, this is far more relaxed and intimate. You will be in tune with the countryside. Since the rivers flow through the hearts of the cities and towns, you are immediately in the best areas as soon as you step off the boat.

The centerpiece is a relaxed 12-day excursion aboard *Artistry* through historic Eastern European cities. Board in Bucharest near the Black Sea, and sail up the Danube to Vienna. Enjoy incredible scenery, and medieval towns as you pass through Romania, Bulgaria, Serbia, Croatia, Hungary and Austria. Absorb heritage, culture, and history all along the way. I'm ready to take in classical music in its birthplace of Vienna...how about you? While docked, professional tours by local guides are included, thus enriching your stay. Normally you'll enjoy a half day of sightseeing on shore, a half day cruising, and overnights in the various stops. Package includes 1 pre-cruise hotel night in Bucharest, and 2 post-cruise nights in Vienna. My suggestion: Upgrade the experience by adding our seamless, custom-designed 9 night Land Tour through Bavaria, including 2 nights in Prague and 2 nights in Fussen where we experience Oberammergau, the Passion Play of Christ! (Separate Flyer). If you have been on tour with us before, you know how much fun we have, and the extra value and savings we achieve. Enjoy touring with us in a family atmosphere!
