Equinox

06 Sep - 27 Sep 2010

The ship itself will be so amazing, that it almost becomes a destination unto itself. When you couple it with an exotic itinerary which brings you to ancient civilizations and romantic places, you have a winner. And to top it off, we will offer optional private day-tours in the various ports of call! That means the fun, the excitement and the group cohesiveness are all multiplied, and the resulting cost savings are passed on to you. We can even tailor the tours to the whims of the group on any given day. If you have never been with one of our groups, be ready for touring in a friendly, family atmosphere ...no grumps allowed!

Here's a biggie: While the ship is docked in Alexandria, for two days, we offer our own private overnight excursion to the Cairo area, so you can bask in the glory of the Sphinx, the Pyramids, the Egyptian Museum, and more. That's a major highlight! Another biggie: Niagara Falls for 3 nights! When we did this tour in 2009, it was everyone's favorite!

Please note that the prices include airfare from Honolulu! This is hugely significant, as you achieve insulation from escalating air prices. (However, fuel surcharges could still be adjusted by the airlines anytime before final payment.

As usual, we will host pre-travel luncheons on Oahu to plan strategy and vote on choices. Travel bags, luggage tags, neck wallets, embroidered souvenir shirts, and detailed daily travel itineraries will also be provided.
