The ship is a proven winner...comfortable, classy, and full of fun! With five sea days, you will have plenty of time to unwind, relax, dance the nights away, or whatever. The exotic itinerary brings you to ancient civilizations, rich historical sites, and romantic destinations. As always, we will be conducting guided day excursions in the various ports of call, giving you tremendous opportunities to absorb local Historical, Cultural, and Biblical events. These tours ensure that you get the most out of your time and the best value for your money. Moreover, a sense of group cohesiveness will multiply your enjoyment and lead to new friendships. We will even tailor our tours to the whims of the group on any given day. If you have never been with us before, be ready for touring in a friendly, family atmosphere...no grumps allowed!

New and Improved! In the past, we have taken an overnight, two-day land excursion to Cairo, from Port Said, returning to Alexandria. This year, we will travel by coach from Port Said and visit all the major sights in one day...the Step Pyramid at Saqqara, the Pyramids and Sphinx at Giza, and the Egyptian Museum, with the King Tut display. We are eliminating the shopping stops, and the costly overnight hotel stay! The day will be long, but highly rewarding. Another modification this year: When we berth in Haifa, we will take an overnight excursion, visiting Tiberias, Capernaum, Sea of Galilee, River Jordan, and the Dead Sea. After a hotel stay in Masada, we visit Bethlehem and Jerusalem before returning to the ship in Ashdod. Post Cruise: We will take a coach to Rome for a two-night stay, allowing us to visit these highlights: Coliseum, Roman Forum, Vatican, St. Peter's Basilica, Sistine Chapel, and more. Finally, as we travel home, I can show you around New York City for two days if you wish.

As usual, we will host pre-travel luncheons on Oahu to plan strategy and vote on choices. Travel bags, luggage tags, neck wallets, embroidered souvenir shirts, and detailed daily travel itineraries will also be provided.
