This one is a smart choice. The "package based" pricing means exceptional savings for you, and in a mere 10 days, you will experience the Inside Passage, Hubbard Glacier, the seldom visited port of Sitka, vibrant and beautiful Vancouver, and the scenic beauty of Butchart Gardens!

After you've seen the sights around Ketchikan, including the salmon running beneath your feet on the boardwalks of Creek Street, shop at the Blue Diamond Jewelry Store. If you tell VJ you are with Sun Tours, he will come up with amazing discounts, especially on the Tanzanite & Arctic Opals.

The Mercury is classy and comfortable. She shares lineage with the Infinity, the Constellation and the Millennium. We have sailed her many times without a hitch, and we hear positive feedback from our customers who sail Celebrity Cruises.
