

Holy Lands Cruise - Rome to Athens

31 Oct - 18 Nov 2008

Pacific Princess

PRINCESS CRUISES
escape completely®

This cruise-tour features a seldom-seen, exotic itinerary, allowing us to visit many of the treasured sites of Southern Europe and the Middle East. I intended to do an itinerary like this several years from now, but popular demand from many of you has convinced us to add it to the Group Schedule for 2008. I will arrange our own day tours, so the fun and excitement is multiplied, along with the cost savings which are passed on to you. We can even tailor the tours to suite our whims on any given day. If you have never been with one of our groups, be ready for touring in a friendly, family atmosphere...no grumps allowed!

Before boarding, we will spend two days touring Rome. After the cruise, we will tour Athens for two days. (The second day features a ferry excursion to three charming nearby islands.) Hotels in Rome and Athens are being negotiated. For those originating in Honolulu, group airfares are being negotiated. We will host pre-travel luncheons on Oahu to plan strategy and vote on choices. Travel bags, luggage tags, neck wallets, embroidered souvenir shirts/jackets, onboard cruise parties, and detailed daily travel booklets will also be provided. Space always sells out, so sign up soon!
