10-day Cruise, plus 4-Day Escorted Land Tour
Featuring Bavaria and Oberammergau!

We cruised from Amsterdam to Budapest on Avalon in 2009, and everyone thought it was great. Now we give you the chance to "complete" the River...all the way to the Black Sea! Unlike ocean cruising, this is far more relaxed and intimate. You will be in tune with the countryside. Since the rivers flow through the hearts of the cities and towns, you are immediately in the best areas as soon as you step off the boat.

The centerpiece is a relaxed 12-day excursion aboard *Artistry* through historic Eastern European cities. Board in Bucharest near the Black Sea, and sail up the Danube to Vienna. Enjoy incredible scenery, and medieval towns as you pass through Romania, Bulgaria, Serbia, Croatia, Hungary and Austria. Absorb heritage, culture, and history all along the way. I'm ready to take in classical music in its birthplace of Vienna...how about you? While docked, professional tours by local guides are included, thus enriching your stay.

Post Cruise Highlight: Private journey through Bavaria to Munich & the Village of Oberammergau, where we attend the world-famous Passion Play of Christ, performed once every 10 years by the local residents.

If you have been on tour with us before, you know how much fun we have, and the extra value and savings we achieve. Enjoy touring with us in a family atmosphere!
