Prices include pre/post-cruise tours, transfers, hotel, air from HNL (call for other origins), taxes, fees, and port charges. Deposit of \$600 pp, (\$300 of which is non-refundable) will secure space. Final due by 10 March. Travel Insurance highly recommended, and will be offered at time of first deposit.

This one is a smart choice. The "package based" pricing means exceptional savings for you. In just 10 days, you will experience the Inside Passage, Hubbard Glacier, the seldom visited area of Icy Strait Point, vibrant and beautiful Vancouver, and the scenic beauty of Butchart Gardens!

After you've seen the sights around Ketchikan, including the salmon running beneath your feet on the boardwalks of Creek Street, shop at the Blue Diamond Jewelry Store. If you tell VJ you are with Sun Tours, he will come up with amazing discounts, especially on the Tanzanite & Arctic Opals.

The Mercury is classy and comfortable. She shares lineage with the Infinity, the Constellation and the Millennium. We have sailed her many times without a hitch, and we hear only positive feedback from our customers who sail her.
