

# Diamond Princess

We are joining forces with Princess, our favorite cruise line affiliate, to bring you our first escorted group tour of Japan! For several years, many of you have been asking us to do a Japan Tour. Your day has arrived! We are offering back-to-back sailings on the beautiful *Diamond Princess*...first, a 9-day "Hokkaido & Russia" sailing, followed by a 9-day "Ancient Capitals" sailing. You can sail just one (either one), but they do fit together perfectly, and we think most of you would do them both, especially since you would have already invested your time and money just flying there. (Those doing both cruises can retain their cabin while the ship reloads in Yokohama between sailings...a perfect time to take our optional, private Day Tour of Tokyo, don't you think?)
