

# South America Cruise, West Coast to East Coast

## Post-Cruise Option: Machu Picchu Land Tour!

We escorted a Group-Cruise in February 2013, sailing a similar itinerary, but in the opposite direction...aboard a *Celebrity* vessel, rather than *Princess*. It was very well received! We explore the safest, most alluring, and most culturally rich portions of this distant continent... and we do it in style! We handle our groups like intimate family. We provide full guide services and seamless itineraries. We arrange private touring as we go along, and we do customization for those of you with special needs.

In the past, we have had to abandon our dream to escort South America Cruise Groups to Machu Picchu, because the minimum number of travelers for this amazing Land Tour add-on was not reached. This time, however, Lon and I will do Machu Picchu, regardless of the number of cruisers who opt in. Our two sons and their wives are coming for the Machu Picchu portion, and we invite you to join us. You can opt for the cruise only, Machu Picchu only, or both. (I expect most of you would do both, since you would have already invested your time and money traveling to this region, and it would be a shame to have come this close, and then not experience one of the seven wonders of the world, at this UNESCO World Heritage site.) After the cruise, we disembark in Buenos Aires, fly to Lima, Peru, and begin the 6-night Land Tour. After exploring and touring in Lima, we fly to Cusco, where we acclimate to higher elevations, tour our way down to Sacred Valley, and then climb by domed rail car to Machu Picchu for an overnight stay. This itinerary is well suited to adventurous, seasoned travelers who have seen much of the world and who wish to fulfill an inspired "bucket list".

As always, we will host luncheons to go over details & to distribute your travel booklets with day-by-day itineraries, and a multitude of complimentary logo items. I look forward to traveling with you!
